

THE POST COVID 19 ERA

“A Stitch In Time Saves Nine”

The time is **Now & Here**, else it will be **No Where**. The proverbial cat may have 9 lives, we don't.

No point in wearing face masks and carrying and utilizing sanitizers, when the air entrapped for two months is circulated or finger prints on the lift buttons left to thrive.

DO not fall prey to tall and false claims of killing the virus micro seconds to a few seconds. One can't kill an inanimate thing. The virus can only be neutralized or deactivated. Call the experts who have knowledge and integrity.

If this has struck a positive chord, please send a line to murali.shanker@krystalallied.com. Brickbats too are welcome.

By the way we also do a lot of mundane things like taking care of your property by offering facility services that are custom designed to meet your requirements and guaranteed to reduce your operational costs. Try us....
